

# *Term 1*

---

These terms and conditions apply to every offer, quotation and agreement between Konstruktiv V.O.F., hereinafter referred to as "User", and a Client on which the User has declared these terms and conditions applicable, insofar as the parties have not deviated from these conditions explicitly and in writing. The present conditions also apply to agreements with User, for the implementation of which the User must involve third parties.

These general terms and conditions are also written for the employees of the User and its management. The applicability of any purchase or other conditions of the Client is explicitly rejected.

If one or more stipulations in these general terms and conditions at any time wholly or partially become null and void or become void, then the other provisions in these general conditions remain fully applicable. The User and the Client will then enter into consultation in order to agree on new provisions to replace the null and void or nullified provisions, whereby as much as possible the purpose and intent of the original provisions will be observed.

If there is a lack of clarity about the interpretation of one or more provisions of these general terms and conditions, then the explanation must take place 'in the spirit' of these provisions.

If a situation arises between the parties that is not regulated in these general terms and conditions, this situation must be assessed in the spirit of these general terms and conditions.

If the User does not always demand strict compliance with these conditions, this does not mean that the provisions thereof do not apply, or that the User would in any way lose the right to demand strict compliance with the provisions of these conditions in other cases.

## *Term 2*

---

All quotations and offers from the User are without obligation, unless a period for acceptance has been set in the offer. If no acceptance period has been set, no rights can be derived from the quotation or offer in any way if the product to which the quotation or offer relates is no longer available in the meantime.

User can not be held to his offers or offers if the Client can reasonably understand that the quotations or offers, or any part thereof, contain an obvious mistake or error.

The prices stated in an offer or offer include VAT and other government levies, any costs to be incurred in the context of the agreement, including travel, accommodation, shipping and handling costs, unless otherwise indicated.

If the acceptance deviates (whether or not on minor points) from the offer included in the quotation or offer, the User is not bound by it. The agreement will then not be concluded in accordance with this deviating acceptance, unless User indicates otherwise.

A composite quotation does not oblige the User to perform part of the assignment against a corresponding part of the stated price. Offers or quotations do not automatically apply to future orders.

## *Term 3*

---

The agreement between the User and the Client is entered into for a definite period of time, unless the nature of the agreement dictates otherwise or if the parties expressly agree otherwise in writing.

If the Client refuses to take delivery or is negligent with the provision of information or instructions that are necessary for the delivery, then the User is entitled to store the goods at the expense and risk of the Client. The risk of loss, damage or depreciation is transferred to the Client at the time when goods are available to the Client.

By an amendment to the agreement, the originally stated term of execution can be changed. The Client accepts the possibility of changing the agreement, including the change in price and term of execution. Without being in default, the User may refuse a request to amend the agreement if this could have qualitative and / or quantitative consequences, for example for the work to be performed or the goods to be delivered.

If the Client is in default in the proper performance of what he is obliged to User, then the Client is liable for all damage on the part of the User thereby directly or indirectly.

If User agrees with the Client a fixed fee or fixed price, then User is nevertheless entitled at all times to increase this fee or this price without the Client being entitled in that case to dissolve the agreement for that reason, if the increase the price arises from a power or obligation pursuant to the law or regulation or finds its cause in an increase of the price of raw materials, wages, etc. or on other grounds which could not reasonably have been foreseen at the time the agreement was entered into.
